Henry Fulton Public School Google Classroom Support

Logging in to Google Classroom on a tablet

You will need to download the Google Classroom app from your app provider. This document will show you how to login to the Google Classroom app. It will continue to show you how to login a second child and then how to switch between your children's accounts on a tablet.

STEP 1		
Open the app and select 'get started'		
▲ App Store 2:49 pm Fri 9 Jul		奈 100%
	Classroom helps classes communicate, save time and stay organised.	
	GET STARTED	
	Sign up for emails about Classroom feature updates	
Google Classroom	By joining, you agree to share contact information with people in your class. <u>Learn more</u>	

Select 'add account' or 'add another account'.

Adding an additional child to the same device

It may be that you need to have two or more children accessing their google classroom from the same tablet device. This walkthrough will show you how to add additional children's accounts and how to switch between accounts.

Select 'add another account".
